Hello Patrick,

I wanted to inquire about the status of the BLQ BID petition that was sent to your office.

Is there anything that I can do to help facilitate the process?

Sincerely,

Thank you Patrick.

I can make arraignment to send the paperwork to your office on Monday.

Is it safe to assume that it can be sent to the Commerce address?

Subject: Byzantine Latino Quarter BID Recertification petition

Hello Ms. Barber,

I am Moises Gomes and I am the Program Manager with the Los Angeles Neighborhood Initiative <<http://lani.org/>> .

I am tasked with administering the Byzantine Latino Business Improvement District <<http://blqbid.org/main/>> in which your property on 2949 West Pico Blvd. is located within its operational borders.

The BID is up for recertification and I am collecting signed petitions supporting the recertification of the BID by the City of Los Angeles. We were able to get support from you during our last recertification in 2015 and I hope that we can continue to expect your support.

I can send a copy of the petition, BID map and a booklet which highlights the many benefits that the BID has made in upkeeping Pico Blvd. and I can make arraignments to pick up the signed petition once it has been signed. The signed petition must have an original signature to be turned in to the City Clerk's office.

You can respond to this e-mail or call me at (213) 200-9132 if you have any additional questions regarding the BID.

Sincerely,

Moises Gomez
